Senior School Polo

Softshell Jacket

Fleece Crew Neck Jumper

Shorts - Male Shorts - Female

Skort

Pants - Female Pants - Male

FAQs

A quick guide to the most common questions regarding uniforms.

Frequently Asked Questions

What is the Transitional Period? Can my child wear the old uniforms still?

Yes. The transitional period runs until the end of 2027, during which both the older style and new uniforms are accepted for current students.

Can students wear plain navy bottoms?

Yes. Plain navy shorts, pants or skorts are permitted as long as they have no logos and are not made from tight, lycra-style material. However, we encourage families to purchase the official uniform bottoms with logos from Perm-A-Pleat for consistency and durability. Leggings, bike shorts and lycra-style skorts are not approved uniform items and are not permitted.

Should I buy uniforms if my child has not yet been accepted for enrolment?

No. Purchasing a uniform does **not** guarantee enrolment. Please wait until your child's enrolment has been formally approved before buying any uniform items.

Do you have a second-hand uniform store?

No. The school and/or Perm-A-Pleat does not sell or accept second-hand uniforms for resale. You may find second-hand uniform items on community social media forums.

Who is required to purchase the new uniform?

All newly enrolled students, including incoming Year 7s, are required to purchase and wear the new uniform. This is mandatory under our updated uniform policy.

What if my child needs to wear an alternate uniform item for a specific course?

Some learning areas require specialised or approved uniform items, for example, PFNA training tops, Leavers Jackets, or course-specific safety requirements for science labs, trade workshops, Rural Operations and food technology rooms. Staff will inform students when these items are needed, and any approved alternate uniform pieces must be ordered through the school.

What footwear is required?

Students must wear enclosed, supportive shoes suitable for school activities. Crocs, slippers, slides, and thongs are not permitted.
