SMARTRIDER CARDS

All new students are issued a SmartRider card on enrolment at Pinjarra Senior High School.

New students, including new Year 7 students in 2027, will receive their new SmartRider card within the first 4 weeks of Term 1 (approx.).

If your child requires a replacement SmartRider card, these can be ordered at the Front Office for $5.

Secondary Assistance Scheme (SAS)

You may be eligible to claim the Education Program Allowance (Secondary Assistance Scheme).

The Secondary Assistance Scheme (SAS) allowance is available to secondary students whose parent/carer holds a **Health Care Card, Pensioner or Veteran's Affairs Pensioner (Blue) Consession Card.**

The total payment is $350 – made up of;

$350

- $235 Education Program Allowance (paid directly to the school, and goes directly towards contributions and charges.
- $115 Clothing Allowance – paid directly to the parent.

Applications close 2nd April 2027

The Secondary Assistance Scheme is available to students up to and including the year in which they turn 18 years of age.

Late Applications

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation. Eligible interstate or overseas students who are enrolled after first term may apply for the allowance.

Clothing Allowance

The clothing allowance of $115 will be paid to the parent/guardian unless indicated on the application form that you wish for it to be paid to the school. If the payment is made to the school, this amount will automatically be allocated to your child's school fees. If payment is to be made to the parent/guardian, the payment will be deposited into the nominated bank account. It can take between 8 to 12 weeks to receive this payment.

CONTRIBUTIONS & CHARGES

At Pinjarra Senior High School, we work hard to keep costs as low and equitable as possible for all families.

The School Board has carefully reviewed and approved the Contributions and Charges for the year. These contributions help cover the cost of goods and services that support students' learning and are not fully funded by the Department of Education.

Pinjarra Senior High School is dedicated to providing a quality education for your child and a pathway to a successful future.

The Government provides funding to cover the cost of staff, facility maintenance and basic resources with funding dependant on various factors such as student numbers, socioeconomic factors of the area and student characteristics.

Funds from school families help our school provide a wide range of opportunities, resources and activities for all students. We ask that you invest $235 per year ($6 a week) to enhance your child's learning opportunities.

For families choosing Extra Cost Elective subjects, we encourage you to consider the additional costs involved when making subject selections.
Our aim is to make sure that every student can participate and benefit from the opportunities available at Pinjarra Senior High School, regardless of their family's financial circumstances.

A COMPASSIONATE VIEW

We understand that school costs can be difficult for some families to manage. If you are experiencing financial difficulties, please contact the school to discuss a payment plan or other options that may assist. We encourage families to stay in contact with us if they are having difficulty meeting payments. Our aim is to work with families to find an arrangement that is manageable. Subject charges are provided to parents and carers before subject selections are made, allowing families to consider the costs involved when making subject choices.

COLLECTION OF CONTRIBUTIONS & CHARGES

The school takes a positive approach to collecting of Contributions and Charges. Contributions help us provide resources, services and learning experience that benefit our students, as we encourage all families to contribute.

To assist families in keeping track of their account:

- A statement will be issued during Term 1.
- A reminder of any outstanding balance will be provided during Term 2.
- A final reminder will be issued during Term 3.
- Compulsory charges remaining unpaid as at 24 September 2027 may be referred to a debt collection agency.
- Outstanding charges will be carried forward to the following year, where applicable.
- For Year 11 and 12 high-cost subjects, a 50% confirmation charge will apply at the time of subject selection.
- Where parents with outstanding compulsory charges remain outstanding and have failed to arrange and commit to a payment plan, the school may need to review a student's enrolment in higher-cost elective subjects and discuss lower-cost alternatives with the family.
- Where unpaid charges relate directly to the materials required for a practical subject, participation in practical activities may be affected and alternative theory-based work may need to be provided.

YEAR 7 CONTRIBUTIONS & CHARGES
